

BLUECUBE6+

BLUECUBE 'HIDE-AWAY' MEDIA PLAYER

KEY FEATURES

Bluetooth® **Bluetooth Audio** Easily stream your favorite tunes from your smartphone with Bluetooth Audio support.

HALO AERIAL TECHNOLOGY **Halo Aerial Technology** Receive a stronger Bluetooth signal and greater range in all directions over standard Bluetooth with Halo Aerial Technology.

288W POWER **288W Amplifier** Keep your system going with a 288W amplifier that powers up to 8 speakers or a combination of speakers and subwoofers.

USB **USB** Play USB thumb drives with supported audio media and charge USB devices such as smartphones with USB charging.

DSP EQ **DSP EQ** Allows common EQ settings to be applied to enhance music content, such as Pop, Classical and Rock or manually adjust bass and treble for a tailored sonic experience.

V BASS **Virtual Bass** Uses digital technology to enhance bass response. Even on small speakers the perceived bass frequencies are extended to create a richer listening experience.

IP65 **Multi-Environment Protection** Install anywhere with waterproof (rated IP65), UV, and salt/fog resistant protection enabling reliable performance in the toughest environmental conditions.

Remote Ready Includes a wireless handheld Remote Control with built-in rechargeable battery and supplied with a USB charging cable to connect to any USB charger. Wired remote control WR6 also available (sold separately).

BRIDGE MODE **Bridge Mode** Easily power a subwoofer in addition to standard speakers by using the two rear speaker channels in Bridge Mode operation.

FM RADIO **FM Radio** Listen to your favorite FM radio stations. Save your favorite stations with 3 FM presets available. Compatible with both US and European frequencies.

12V TRIGGER **12V Trigger** Control an external device, such as an amplifier, deck, or spot lighting directly from the stereo or remote control. Output 12V DC, 3A max.

2 YEAR WARRANTY **2 Year Warranty** Aquatic AV products are built to be reliable and durable. The BlueCube comes with a two year warranty that can be extended with product registration.
